## Track 2- Week 1

Welcome to Track Out X-Press! We are glad to see all of our returning and new faces. Don't forget to check the schedule for all of our fun trips, arts & crafts projects, games and more!

Please make note of our art and cooking projects for this week. Inform the staff if your child has any allergies.

### Field Trips and More!

**Museum of Life and Science** - We will explore the museum exhibits, visit the butterfly house, view the animal habitats, and more! Please dress appropriately for the weather as some exhibits require walking outside from one building to another.  
433 Murray Avenue, Durham, NC 27704 (919)220-5429

**Optimist Pool**- Please be sure to pack swim clothes and a towel. Children may come dressed in their swimsuit or can change before we leave. 5900 Whittier Drive, Raleigh, NC 27609 (919) 870-2882

**Cooking Project**: Please make staff aware of any allergies. This is not to replace the children's lunches or snacks. Please still pack their regular lunch and snacks for the day as some kids may not like what they make. Thank you!

**\*\*NOTE\*\*** We may use paint in our art project for the week, you may want to send kids in old clothes.

Please take note of a few changes that have occurred as we are now a licensed facility:

- Your child will now receive milk at lunch daily and cheese sticks at morning and afternoon snacks.
- If your child wishes to lay down during quiet time, they need to bring a towel or blanket to lay on. Children can also bring books, stuffed animals, or something quiet to work on (coloring books, markers, etc). Please do not send children with video games or toys (only stuffed animals allowed as toys).

Brier Creek Bucks is a Track Out behavior initiative established for the 2011-2012 school year. Individually, campers will have the opportunity to earn Bucks for demonstrating good behavior and acting as an example for their fellow campers throughout the day. These individual rewards will be kept in their "Wally Wallet" and can be redeemed daily at a certain time, or saved and budgeted for the future. As a group, campers will be trying to reach goals based on how many Bucks are handed out each day. At certain milestones, our behavior mascot, Wally the Water Frog, will reach a new stage in his metamorphosis journey from an egg to an adult frog. If the campers are able to get Wally to adulthood, a special prize will be had by all!

Please remember to send 2 snacks and a lunch with your child each day. Also, upon picking up your child, a security key tag must be shown prior to the release of your child. As always, please contact us with any questions or concerns.
